(Patient Name)

You are scheduled to have a HEART test in Nuclear Medicine (1H-160: close to the retail store) on:

(Day, Date, Time, RIC/NUCLEAR MED/STRESS LAB)

Please read this letter carefully. It contains very important information about your Nuclear Medicine exam.

If you are not able to keep this appointment, please call (804) 675-5510 to schedule another appointment.

- Do not eat or drink after 11:00 pm the night before your appointment
- Do not have any caffeine or decaffeinated products for the 24 hours prior to your scheduled appointment (no coffee, tea, soft drinks, chocolate, etc.)

The exam may be scheduled for 1 or 2 days depending on your height and weight.

This exam is long. Be prepared to be in our department most of the day.

FEMALE PATIENTS: If you are pregnant, if there is a possibility you are pregnant, or if you are breast-feeding, you must let us know prior to the exam. Please call us at (804) 675-5510 at least 1 business day prior to your appointment.

If you have any questions or concerns about this exam, please call us at (804) 675-5510.
